

## Canada-UK-Spain Networking Event (Pre-registration required)

**When:** Wednesday Feb 17, 2010

**Where:** Salon D, Hall 2 (Mezzanine level) FIRA Barcelona

**Time:** 17:00-19:00

As we enter a new decade, it is timely to look forward at what are likely to be the major challenges & opportunities in our industry, casting an eye back on the huge changes we've seen in the past few years. Will the Smartphone and Apps stores continue their inexorable rise, what other developments are likely to have an impact internationally? Where are there opportunities for collaboration between Canadian, UK & Spanish wireless companies? A panel of expert speakers will briefly discuss their thoughts before opening up the discussion to the audience. The discussion will be followed by informal networking with food and drinks served.
